

**RIDGECREST OF SHASTA COUNTY HOMEOWNERS ASSOCIATION
PROPOSED AMENDMENT TO THE RULES REGARDING BARBEQUES
November 10, 2015**

Due to the high risk of fire posed by using barbeques in the Phase 1 8-plex buildings, the difficulty in enforcing restrictions on only certain types of barbeques, and in order to minimize insurance cost to the Association, the Board of Directors finds it necessary and in the best interest of Association to modify and amend the rules regarding barbeques as follows:.

1. Use and storage of barbeques is allowed only in Phase 1 perimeter units and in Phase 2.
2. All barbeques are prohibited from being used or stored on the balconies or patios of the Phase 1 8-plex buildings.
3. Barbeques are prohibited from being used in any of the Common Area whatsoever.

Please provide your comments to the Board no later than December 13, 2015
